

EDUCATIONAL PARTNER PROGRAMME

ESPGHAN provides a variety of educational activities, events and information that are available throughout the year.

The ESPGHAN Education Partner Programme (EPP) was launched in 2015. Based on the 2015 adopted ESPGHAN Code of Conduct, the EPP has been developed to ensure the on-going development and implementation of an up-to-date, independent, high quality educational programme for health care professionals.

The dedicated support and financial commitment from our partners helps to enhance and stabilize support for ESPGHAN's educational activities. The EPP educational activities for 2017 are:
