

5th United Kingdom Complex Nutrition and Intestinal Failure Network Meeting

Hosted by the Scottish Society of Paediatric Gastroenterology, Hepatology and Nutrition (SSPGHAN)

Thursday September 6th - Complex Enteral Feeding

Session 1 13.30-14.10 – Jejunal tube feeding

Chair

13.30 **Complications of jejunal tube feeding**

David Derry (Newcastle)

13.50 **Blenderised diet – role in complex nutrition and intestinal failure**

Hazel Duncan (Glasgow)

Session 2 14.10-14.50 – GI dystonia

Chair

14.10 **GI dystonia and development of a consensus-based guideline**

Sue Protheroe (Birmingham) and Santosh Mordekar (Sheffield)

14.50 **GI dystonia – a systematic review**

Neil McConell (Glasgow)

14.50 -15.10 **Tea / Coffee**

Session 3 15.15-16.30 – Enteral feeding

Chair

- 15.10 **Oral aversion – recognition, diagnosis and early management**
Rachel Bryant-Waugh (London)
- 15.30 **Weaning enteral tube feeds – evidence and practicalities**
Charlotte Wright (Glasgow)
- 15.50 **Keynote Lecture – What do we know about achieving enteral nutrition?**
Chris Duggan (Boston)

17.00 – 19.00 Nutrition Working Group Meeting

20.00 Dinner

Friday 7th - National Intestinal Failure Network Day

Session 1 09.30-11.00 – Medical management of intestinal failure

Chair

- 09.30 **Teduglutide - evidence and practical experience**
Susan Hill (London)
- 09.50 **Biomarkers of intestinal adaptation**
David Mitchell (Edinburgh)
- 10.10 **Micronutrient and macronutrient deficiency in intestinal failure**
Lucy Howarth (Oxford)
- 10.30 **Gut decontamination and D-lactic acidosis**
Theo Wong (Birmingham)
- 10.50 **The microbiota in intestinal failure**
Kostas Gerasimidis (Glasgow)

11.00-11.20 Tea / coffee

Session 2 11.20-12.30 – Motility and surgery in intestinal failure

Chair

11.20 **Motility in intestinal failure**

Jo Brind (London)

11.40 **Catheter-related sepsis – prevention and treatment**

Iain Chalmers (Aberdeen)

12.00 **Non-transplant surgery – outcomes and future directions**

Mark Davenport (London)

12.30-13.30 Lunch

Session 3 13.30-14.45

Moderators Dr Andy Barclay (Glasgow) and Dr Shyla Kishore (Aberdeen)

13.30 **Panel discussion – “Lipids and IFALD: more or different?”**

Panel members: Chris Duggan and TBC

14.30 **Ethical considerations in intestinal failure**

Jonathon Hind (London)

15.00-15.15 Tea / coffee

Session 4 15:15-16:00 – State-of-the-art

Chair

15.15-16.00 **Keynote Lecture – State-of-the-art: Intestinal failure – future directions**

Chris Duggan (Boston)
