Educational Grant Opportunities for Industry Partners

**Re: Educational Grant: BSPGHAN Associate and Trainee and Associate Members' Meeting
28th to 29th September 2017, Sheffield**

We are delighted to confirm that the joint Associate and Trainee Members' meeting (ATM) is being hosted by the team at Sheffield Children's Hospital, led by Dr Priya Narula.

BSPGHAN is once again offering our industry and charity partners the opportunity to provide an educational grant for this very popular meeting.

In return for £750 (Seven hundred and fifty pounds) industry educational grant, your company will be offered the opportunity to have a stand at the meeting on Thursday 28th and Friday 29th September, company logo on the programme and opportunity to meet delegates and organisers throughout the meeting. Your company will also have opportunity to place literature in the delegate packs

The meeting attracts 25 – 30 trainee members and 50 allied health professionals with invited paediatric consultants of all specialties. The 'At A Glance' programme is available to download on <http://bspghan.org.uk/ATM> and this year's focus is Transition which we hope you will find of interest.

All educational grants are used to provide reduced registration fees for the delegates especially for the Associate Members (nurses, dietitians) who are finding it increasingly difficult to get funded study leave for their meetings.

Registered as a charity: Registration Number 299294

As a result of generous sponsorship from companies we were able to keep the fees to a very minimal cost for the 2016 meeting and with your continued support hope to do so again in 2017.

Please do not hesitate to contact us if you require any further information

With best wishes

Yours sincerely
