

Open Call Research Awards 2020

Applications are invited for grants to be awarded in 2020 by Crohn's & Colitis UK. Grants up to a maximum of £120,000 over a period of three years are available to fund **scientific research** into Inflammatory Bowel Disease (IBD), research into the **social and psychological impacts** of IBD, and research into **improving health services** for people with the condition.

Open Call Fellowship grants up to a maximum of £180,000 over the same period are also available to applicants seeking funding for a clinical fellow working towards a PhD.

Prospective fellows will be interviewed in **March 2020** as part of the competitive selection process and successful candidates will be badged as Crohn's & Colitis UK Fellows.

Applications for funding of pilot studies are also encouraged.

Closing date for applications is 4pm on Thursday, 26th September 2019

Joint Call for Epidemiology Research 2019

Crohn's & Colitis UK and Coeliac UK are inviting applications for a grant up to £70k over a maximum of 12 months to be awarded in 2019. **The grant is available for a single, UK-wide study looking at the epidemiology of Crohn's Disease, Ulcerative Colitis, coeliac disease and dermatitis herpetiformis.**

Using the Clinical Practice Research Datalink (CPRD aurum), we require the incidence and prevalence of these conditions in the UK as of 2019.

Closing date for applications is 10am on Monday, 23rd September 2019

For more information and to apply please visit the Coeliac UK website:
