

Training the Paediatric Colonoscopy Trainers – JAG Approved

8-9 March 2018

Sheffield Children's Hospital, western Bank, Sheffield S102TH

Learning objectives:

By the end of this study day you will be able to:

- Understand need to deconstruct endoscopy skills before delivering methods for acquisition and learning
- Understand the concept and need for conscious competence in both endoscopy skill and the teaching of it
- Practice practical teaching skills and consider how you may use these approaches in your own teaching
- Understand the need for set, dialogue and closure within teaching episode
- Importance of setting SMART objectives
- Be able to establish an educational contract and framework for teaching defining roles and behaviour
- Understand the importance of well defined clear instruction in training
- Understand the importance of performance enhancing feedback

RCPCH CPD approval has been applied for

Faculty:

Dr Priya Narula (Course Lead), Consultant Paediatric Gastroenterologist, Sheffield Children's Hospital
