**Aims and educational objectives**

The aim is to provide a meeting to offer updates, educational topics, discussion of clinical cases, and clinical collaboration with The Midlands Gut Club, the biannual educational meeting. The meeting is open to all colleagues working in the speciality with medical, surgical, nursing and dietetic backgrounds, and trainees. The meeting provides a platform for the operational links that exist for the Midlands network for professional working in paediatric gastroenterology, hepatology and nutrition.

Any queries about the meeting please get in touch [sue.protheroe@bch.nhs.uk](mailto:sue.protheroe@bch.nhs.uk).

We look forward to welcoming you to the meeting.

We will apply to RCPCH to approve this activity for CPD in accordance with the current RCPCH CPD Guidelines.
