Organised by Dr Lisa Whyte, Consultant Paediatric Gastroenterologist, Birmingham Women's and Children's Hospital, Birmingham

Aims and educational objectives

The aim is to provide a meeting to offer updates, educational topics, discussion of clinical cases, and clinical collaboration with The Midlands Gut Club, the bi annual educational meeting. The meeting is open to all colleagues working in the speciality with medical, surgical, nursing and dietetic backgrounds, and trainees. The meeting provides a platform for the operational links that exist for the Midlands network for professional working in paediatric gastroenterology, hepatology and nutrition.
